Dear Mr. Oswald:

As the Director of the Delta Division of The American Radio Relay League (ARRL), I want to congratulate you as being the one of the oldest amateur radio operators in the Southeast and even in the United States. It is a pleasure for you to receive a special recognition in becoming an "Life Honorary Member" of The East Tennessee DX Association.

On behalf of the American Radio Relay League (ARRL), I want to "thank you" for all your contributions to amateur radio in the many hours of mentoring, organization of many radio clubs, operating the spark gap transmission and pursuing new "technology" such as APRS.

Again, thanks for the many contributions to ARRL in a professional manner and other duties rendered.

73,

Henry R. Leggette, WD4Q
